

911 Toy Drive - Blue Santa

W. Steven Martin founded the 911 Toy Drive to provide support for our public safety personnel, allowing them to get toys into the hands of children and youth and help create a positive interaction that will define that child's attitude towards the officers. Our Police Santas have shared thousands of stories of success as a direct result of this program.

Blue Santa Registration

To participate, sworn, retired, or reserve officers must fill in the Blue Santa Registration Form, then submit the form electronically and print the confirmation sheet. The officer will receive an email that includes their assigned Blue Santa # and instructions for toy pick-up. Volunteers will select and bag the toys and attach the Blue Santa #. Officers need to provide their printed or email confirmation form and Blue Santa # at the pick-up location. Gifts will be available for children **up to age 12** while supplies last.

Forms must be submitted by Thursday, December 8.
