

911 Toy Drive - Blue Santa

[W. Steven Martin](#) established the 911 Toy Drive to provide support for our public safety personnel, allowing them to get toys into the hands of children and youth and help create a positive interaction that will define that child's attitude towards the officers. Our Police Santas have shared thousands of stories of success as a direct result of this program.

Blue Santa Registration

Any sworn officer wishing to participate may adopt one or two families, go to 911ToyDrive.com, fill in the [Blue Santa Registration Form](#), then show up at their designated location to pick up the toys. And to help officers and agencies facing staffing issues, our pick-up schedule and locations spans three days and at locations across the Valley. Courtesy Chevrolet, as well as Courtesy Chrysler Dodge RAM and S&K Oil Sales, will once again host our Blue Santa Toy Pick-Ups!
